PERSONAL STATEMENT

First and foremost, I am a writer. My experience is inclusive of publishing research-based articles on digital technologies, producing technical and marketing documentation for a global provider of digital wallets, and managing social media accounts on a national scale. I have also developed my craft as a writer through my studies in creative writing at the University of Oxford. My career has spanned across the sectors of business, media, investigations, government, and FinTech.

SKILLSETS AND INDUSTRY KNOWLEDGE

Writing and Media: Social media management, research, articles, blogs, information memorandums, editing, brand awareness, UX/UI writing, SEO, news stories, press releases, creative writing (with published pieces), business proposals, user guides, reports, scripts etc.

Product and FinTech: The digital wallet and payment card industry, design (Figma, InDesign etc), apps (UX, UI, UAT, app store descriptions etc), research, comparative analyses, creating tutorial videos for apps, and knowledge on software tools/systems (Jira, SharePoint, CMS etc).

Blockchain and Web3: Community engagement, fundamental/technical analyses, blockchain protocols and use-cases, gaming, tokenisation, using various blockchain networks/systems, NFTs, cryptocurrencies, the metaverse, DeFi, DAOs, smart contracts, market knowledge, etc.

Business: Stakeholder relationships, client management, knowledge on the financial and economic sectors, marketing, project management, business analytics, and risk-management.

Compliance and Investigations: Managing investigations, interpreting and applying legislation, gathering evidence, surveillance, interviewing suspects and witnesses, negotiations, evaluating a crime scene, the use of technical equipment and software tools etc.

WORK EXPERIENCE

Communications Specialist - New Zealand Transport Agency (February 2023 - Current).

My current position is tasked with providing official information to the general public of New Zealand. The information conveyed relates to travel information for state highways around the country (for example, relaying the opening and closing of major transport routes) in response to severe weather events (flooding, slips etc), crashes, and planned works. I keep the official NZTA X/Twitter, Facebook, and website updated with information as events unfold in real-time. The information I publish is regularly shared by major news outlets in the country. This position is based within a specialised control room, as part of the Real-time Operations Group.

Senior Technical Writer - Youtap (June 2022 - February 2023).

Youtap is a global FinTech leader in providing B2B solutions for digital wallets and payments infrastructure. In this cross-functional role I produced a wide range of written marketing copy, technical documentation, and market research. I was also involved in client management (from start-ups through to globally recognised commercial entities), project management on a pilot program, and raising investor capital via an information memorandum.

Copywriter - Freelance (June 2021 - June 2022).

I produced content for a wide range of clients, with a focus on the technology and blockchain sectors. I kept abreast with the latest innovations, trends, and developments within the technology sector, while also undertaking in-depth research into whitepapers. This ensured that I produced high quality collateral, including blogs, articles, and press release statements.

Compliance Officer - The Department of Conservation (January 2021 - June 2021).

My primary task was to investigate breaches in conservation legislation throughout New Zealand. I interviewed suspects and witnesses, gathered evidence, led stakeholder engagement, wrote evidential reports, issued infringements, and recommended prosecution action.

Enforcement Officer - Auckland Council (March 2019 - December 2020).

Investigating regulatory issues throughout the Auckland region was a key component of this role. Day-to-day responsibilities included gathering evidence, investigating multiple sites around Auckland, enforcement action, and building relationships with numerous stakeholders.

Rifleman/Infantry - The New Zealand Army Reserves, PTE, 5/7 Battalion RNZIR, (2015 - 2016). Skillsets prioritised in this role included a heightened awareness for health and safety, teamwork, navigation, technical equipment capabilities (weapons, radios etc.), living in isolated environments, attention to detail, self-discipline, and expanding my mental/physical limitations.

Sales, Hospitality, and Miscellaneous roles (2015 - 2018).

Key skills developed in these roles include customer service, product knowledge, and the development of a professional work ethic.

TERTIARY EDUCATION

University of Oxford (2023 - Current).

Undergraduate Diploma of Creative Writing (remote, part-time option).

Victoria University of Wellington (2014 - 2017).

• Represented New Zealand at the Hague

International Model United Nations.

Bachelor of Arts Major: Psychology.

Minor: History.

Bachelor of Science Major: Ecology and

Biodiversity.

VOLUNTEER AND ADDITIONAL EXPERIENCE

- Auckland Council Emergency Management - Intelligence/Operations.
- Conservation work with university research staff and other organisations.
- Global travel.
